

Online Learning – New Offers and Opportunities for IHEA Members in 2020

IHEA is working with our valued members and other service providers to develop a suite of offers and opportunities to assist your transition to online learning environments and best prepare your staff and students for online delivery.

New member offers for 2020 include three very different services targeted at different member needs:

HELI – Graduate Certificate in Academic Practice with an IHEA member – Start now, Complete this year

ACER – Online facilitation short course by an IHEA member – Intensive 14 day program available

OpenLearning – An online learning platform and more – fast track your online delivery

Open Learning Global Pty Ltd (OpenLearning)

OpenLearning is an online learning platform that goes beyond content delivery to focus on community, connectedness, and learner engagement. *OpenLearning's* cloud-hosted, lifelong learning platform enables educators to deliver effective, enjoyable and transformative online courses to students. *OpenLearning* currently reaches more than 1.7 million students through 8,000 courses across 165 countries. Current partners include IHEA Members Alphacrucis and Redhill Education along with a number of Australian Universities.

IHEA Member Offer

The link below outlines the standard pricing for Higher Education Providers. The OpenLearning offer to IHEA members available to end May 2020 includes:

- A branded OpenLearning institution portal (OpenLearning oversee the portal set up and branding)
- License fees are capped at \$9,000 + GST for the first year.
- Normally the annual SaaS license fee is due upfront; however, we are offering the option of quarterly payments instead.
- Inclusion of 3 days of Learning Design Services (valued at \$3,750 + GST) to assist in the development of your first course or upskilling your internal learning design team/faculty members.

Australian Council for Educational Research (ACER)

ACER is a registered HEP and a valued member of IHEA who deliver a short course in Online Facilitation for those who are new to online teaching or who wish to refine their teaching skills to support student learning in an online environment.

The Course

Delivered by ACER experts, the **Online Facilitation** course aids participants in developing skills and confidence to teach online and helps them employ strategies to maintain audience engagement. This course is appropriate for educators and research professionals working at all stages of the education cycle, including school-age, vocational and higher education.

** Now Available in intensive, 14 day program. **

IHEA Member Offer – 30% Discount

IHEA members can enrol in the course at a significantly reduced fee of \$440 for individual enrolments to help support educators who need to urgently upskill. Further discounts for large groups - if you have a group of 10 or more facilitators that require training, ACER will work out a package for you.

Higher Education Leadership Institute (HELI)

HELI is a registered HEP and a valued member of IHEA who deliver an accredited graduate certificate for higher education teaching staff which includes a focus on online academic practice.

The Course

HELI's **Graduate Certificate in Higher Education Academic Practice** is designed to provide valuable professional development and skills for higher education teaching staff. This course is an important tool for independent higher education providers (iHEPs) to upskill their academic staff and enhance their institution's scholarly activity; both important aspects of meeting the **Higher Education Standards Framework (HESF2015)**.

** Next commencement 27 April - Start now, Complete this year! **

IHEA Member Offer – 20% Discount

HELI is offering IHEA members a 20% discount and the next program commences on 27 April, 2020. Enrolling in this intake will enable course completion before the end of 2020.
